MIES VAN DER ROHE PAVILION HIRE

The Mies van der Rohe Pavilion is an ideal venue for social and corporate events.

A VERSATILE SPACE FOR EVERY EVENT

The Pavilion is an opportunity to hold events in a building with a unique architecture and design. The Mies van der Rohe Pavilion also has a privileged location in one of Barcelona's green zones, Montjuic Park, in front of Barcelona's fountains and Trade Fair precinct.

A sober outdoor space complements the striking design and structure of the Mies van der Rohe Pavilion, raising the profile of any type of activity. The beauty of the marble, the water and the sculpture in the pond and the natural luminosity that penetrates the glass walls lend a strong sense of elegance, design and exclusivity to every event.

The Mies van der Rohe Pavilion can be used for :

- **Social and corporate events:
Receptions, private dinners and cocktails.**
- **Product presentations, promotions and other public relations events.**
- **Advertisement filming and commercial photography.**
- **Lectures, seminars, meetings and press conferences.**
