14th-15th
JUNE

KHARKIV
SCHOOL of
ARCHITECTURE

<https://kharkiv.school>

We invite you to the Year exhibition '18-19
in the Kharkiv School of Architecture.

These two days in Kharkiv will be filled with
the best student projects and discussions about
architecture and architectural education
in Ukraine and the world.

An exhibition of the BA and 0 year students,
presentations of the KhSA educational programs,
lectures by the international experts in
the field of architectural education
(AA, UK, Ohio State University, US
Norwich University of the Arts, UK) and
architects from all over Ukraine and the whole
world, discussions and the special event –
Mies van der Rohe Award Exhibition!

The curators of the exhibition:
Ashley Bigham and Erik Herrmann,
american architects, Outpost Office
